

PROTOCOL Z

THE SOCIAL ORGANIZATION OF ZOMBIES

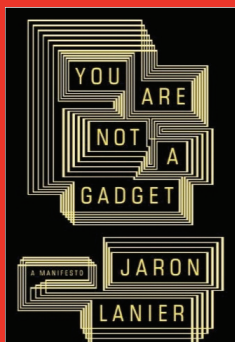

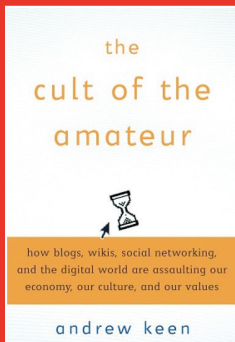

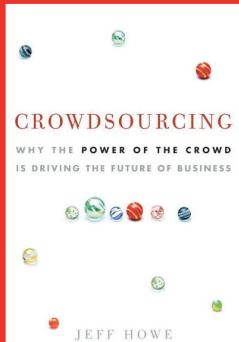

[H]orror fiction addresses society's most pressing fears and is "nothing less than a barometer for measuring an era's cultural anxieties"

The generic zombie

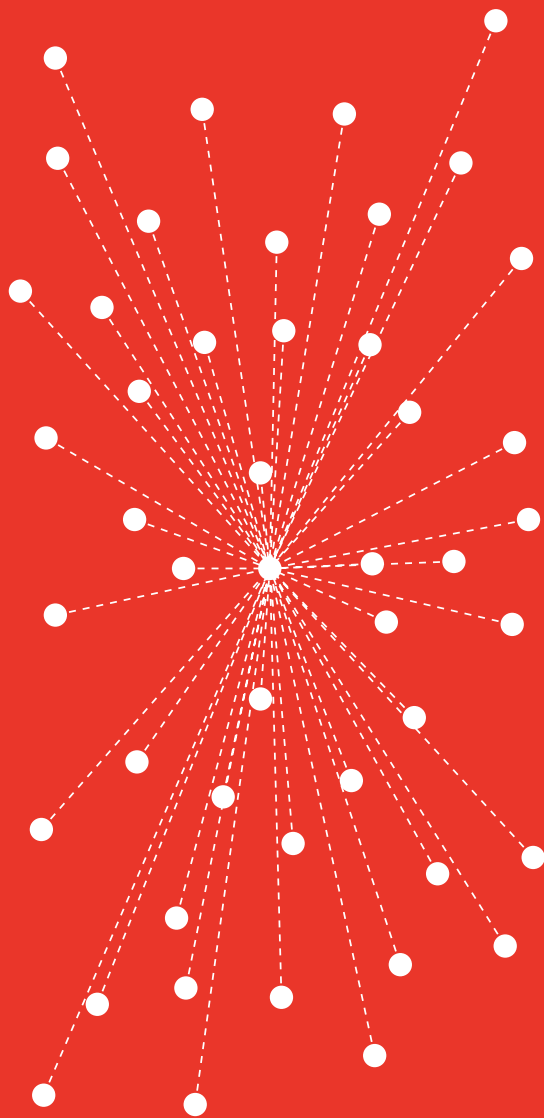

risers from death, stumbles, consumes human flesh

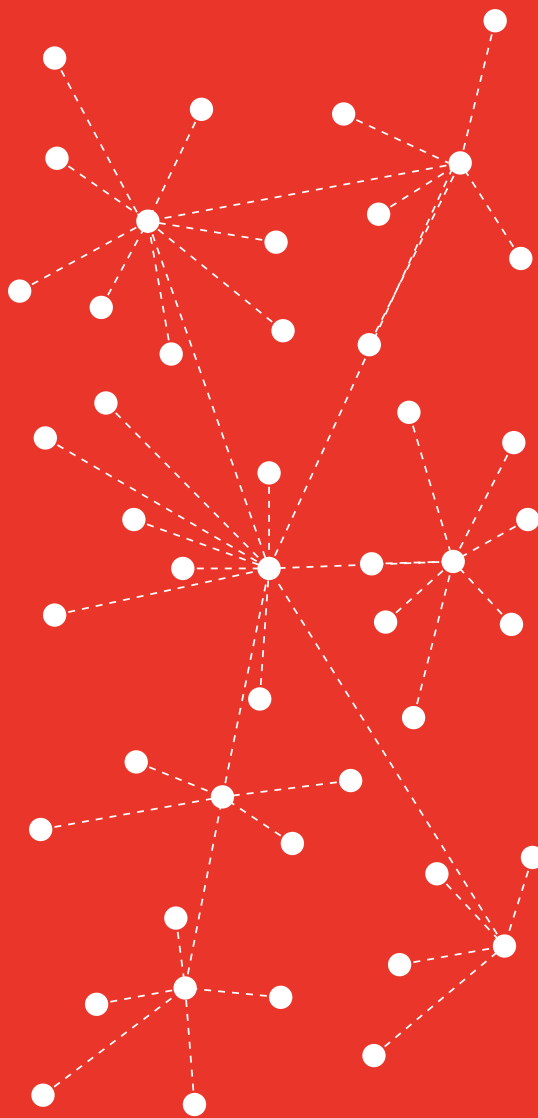

The zombi[e] is neither a hybrid nor a multiplicity.
It is a boundary figure.

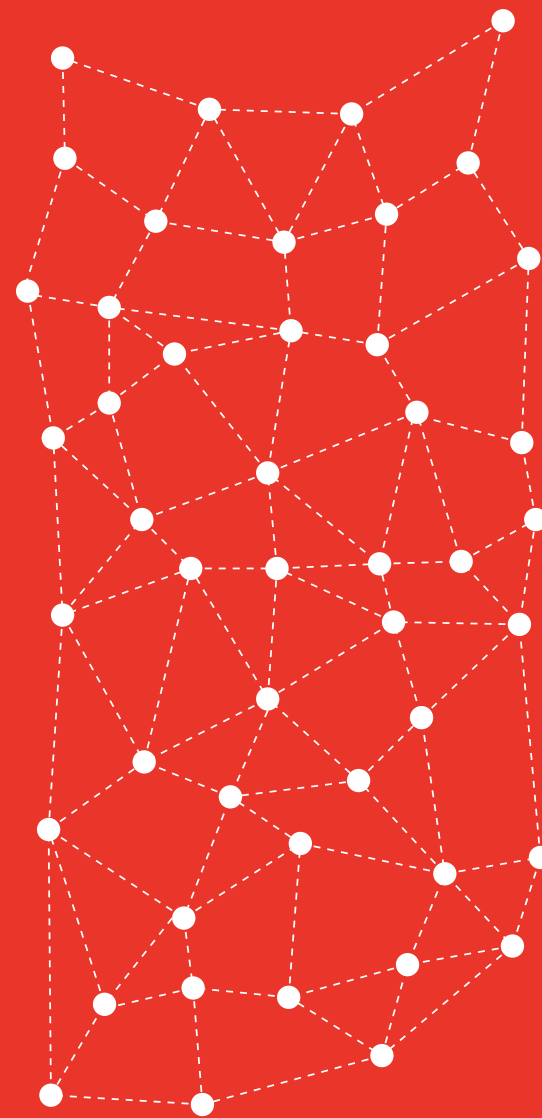

Centralized

Decentralized

Distributed

Zombies are organized through protocol.
Their protocols name density, equality, growth,
and direction as primary.
